MEMORANDUM FOR:

DDA Executive Assistant

FROM:

Curator, Historical Intelligence Collection

SUBJECT:

Logistics Requirements for OSS Artifacts Exhibit

at Mayflower Hotel and DIA

The Historical Intelligence Collection is sponsoring an exhibit of OSS artifacts at the Mayflower Hotel in Washington during the OSS Veterans Convention of 19-20 September, and at DIA Headquarters 21 September - 4 October, in connection with DIA's 25th Anniversary. The DCI will give the keynote speech at the convention and will be the backup speaker for the President at the DIA event. Mr. Keith Melton of Wichita, Kansas, owner of the artifacts, will be delivering them to the Washington area on 18 September and bringing them back to Wichita on 4 or 5 October.

Accordingly, I request first that the Agency supply vehicles and drivers sufficient to deliver up to 11 (eleven) exhibit cases from CIA HQ to the Mayflower Hotel on the morning of Thursday, 18 September. These are to be placed in the Cabinet Room on the first floor.

Secondly, I will need a large passenger van and driver, to pick up Mr. Melton, his companion, and the OSS artifacts at Hyde Field, a private airport near Andrews Air Force Base, at about 1300 on 18 September. Mr. Melton will be piloting his own aircraft, a Piper Turbo Arrow (1941H). I will accompany the driver from Headquarters. All of us will then proceed to the Mayflower Hotel.

Thirdly, sometime after 1330 on Saturday, 20 September, we will need vehicles and drivers to transport the exhibit cases and the OSS artifacts from the Mayflower Hotel to DIA Headquarters at Bolling Air Force Base. I would accompany this shipment. I wish the Agency to pick up the exhibit cases back from DIA HQ and deliver them to CIA HQ shortly after 4 October.

Fourthly, I wish to include among the exhibit cases the 6 (six) now stationed in the Exhibit Hall. The Fine Arts Commission is properly concerned with the handling of these valuable items of equipment. My office, the Office of Information Resources, stands ready to buy new exhibit cases to replace any cases scuffed or otherwise damaged during transit. We understand that each case costs about \$2000. We would then repair the scuffed and damaged cases and use them for the HIC permanent exhibit in the new building or for other HIC purposes.

Thank you in advance for DDA's cooperation.
